

NCSU Lake Wheeler Training Facility

Directions from Raleigh's Beltline (I-40/440):

Exit at Lake Wheeler Road. Go south on Lake Wheeler Road (away from downtown Raleigh) for approximately 1 mile. Continue on Lake Wheeler Road through the traffic light at Tryon Road. Turn left at the second gravel road (approximately ½ mile from intersection of Tryon and Lake Wheeler).

1. **Land Application Training and Demonstration Facility:** Turn left off Lake Wheeler and go straight ahead for 300 yards, then curve right (in front of the Teaching Feed Mill) and take the 1st road to the right. Located in the red roof building at the top of the hill – about 200 yards.
2. **Animal & Poultry Waste Management/Processing Facility:** Turn left off Lake Wheeler and go straight ahead for 300 yards, then curve right (in front of the Teaching Feed Mill) and take the first turn to the left.
3. **Sediment/Erosion Control Area:** Turn left off Lake Wheeler and go straight ahead for 250 yards. Turn left, go about 100 yards, and turn left again. Located behind pine trees.
4. **Soils & On-Site Training Area:** Turn left off Lake Wheeler and go straight ahead for 300 yards, then curve right (in front of the Teaching Feed Mill) and take the 1st road to the right.
5. **Parking for large events:** Turn left off Lake Wheeler and go straight ahead for 300 yards, then curve right (in front of the Teaching Feed Mill). Parking area is on the immediate right.
